Mrs. Martha Demand

Dear Mrs. Demand:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

To: The American Graves Registration

About six months ago my wife adopted a grave of one of your boys at the cemetery Margraten (Holland).

Till now she didn't yet have the home address, and she should like to let know the parents or the wife of this officer, that their son or husband is not forgotten here, and that a Dutch family take care for his grave.

When she was once again on the Cemetery on Memorial day she meet an American lady coming from Indiana, she was a soldier's mother, she regret that the American family of this officer didn't know that a Dutch lady take care for his grave.

She give my wife your address, saying when you write at this address, you get the home address of this -?

Therefore I ask you by this to send me the home address of the grave from Francis W. DeMand O 806 235, died 28 September 1944 - buried 2 August 1945 - Religion, Protestant. Plot NN, Row 1, Grave 247.

With this home address you can do us a pleasure, and I hope his family too.

Thank you

Dear Mrs. DeMand:

The attached letter in the inclosed envelope has been received in this office.

The communication is self-explanatory. Nothing is known by this office as to the writer and, accordingly, it is not felt that your name and address as the mother of the late First Lieutenant Francis W. DeMand should be given unless you desire it.

While it is possible that the letter has been written in perfectly good faith, there have been some cases in other localities where similar persons have imposed upon or become a nuisance to the next of kin. Therefore, as indicated, the letter is being forwarded to you for such action as you desire.

The official Report of Burial discloses that the remains of your son were interred in Plot NN, Row 10, Grave 247 in the United States Military Cemetery Margraten, Holland, located ten miles west of Aachen, Germany.

Please accept my sincere sympathy in the loss of your son.

Dear Mrs. De Mand:

The Army Effects Bureau has received some personal effects belonging to your son, **First Lieutenant Francis W. De Mand.**

This property is being forwarded to you in **one carton** and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your **son.**

Dear Sir -

I am writing you in regard to the clothes and personal effects of my son 1st Lt Francis W. DeMand, who was listed as missing in action since Sept 29 1944.

On April 11, 1945 I received one carton of clothes, not nearly all of his things were sent at this time

2. Lt Merchant who lived with my son at this time, returned to the States in May - he helped James and pack his things for storage when B Jones did not return from his mission.

He claims not nearly all of his things were returned I should of had an itemized account of the things stored, which I have never received.

The things I am mostly interested in are his personal effects rings, bill fold watch his

3- letters pictures. Lt Mearns
said, he sorted his letters
and pictures none of these things
have been received.

I will itemize the few things
I received-

5 khaki shirts

1 wool shirt

1 khaki pants

2 seeps. wood-ull

tie

hat

Travel coat

jacket & hood

1 blouse

1 wool shirt

shoes.

leather shaving kit with

few personal things

mountain pens.

No prints had a least 3 pair

Would you kindly advise

4- me who to write or
just what would be
done about it.

Thanks,

Sincerely yours

Mrs M. De Mand.
