169

HEADQUARTERS 116TH BOMB GROUP  
Office of the Operations Officer  
APO 140, U.S. Army

Date 9 December 1944.

SUBJECT: Interrogation of Group Box Leaders on PFF Lead.

TO : CO, 1st. Pathfinder Squadron Prov., APO 140, U.S. Army.

DATE OF MISSION 9 Dec 44 PFF PILOT Captain Jones

GROUP BOX LEADER Capt A. E. Osborne

1. Was PFF lead entirely satisfactory? If not, why not?

~~This pilot did the best job of leading the formation that we have yet experienced with PFF Aircraft. However, when he took the lead he did not slide smoothly into position, and when he pulled out he went in a direction opposite to that briefed.~~

2. Opinion of evasive action taken. None Taken

3. Comment on PFF Navigation. Good navigation. However, the lead ship never opened bomb doors, although they made a run on course from IP to Target.

4. Suggestions. ~~When lead is turned over to PFF aircraft, that he slide smoothly straight forward while the box leader slides behind him. When leading the formation, that he give the proper signals and then pull sharply up and away from the high flight. Today no signals were given and he suddenly pulled up and directly in front of the high flight.~~
